

CEL & Associates Leaders in Real Estate Enterprise Solutions

CEL & Associates, Inc. was **created by leaders for leaders** of real estate enterprises. For more than 30 years our experienced professionals have provided advice, guidance and insights that enable our clients to achieve a strategic advantage and outperform their peers.

Our innovative **solutions for success** give each client a competitive edge. Many of our solutions and benchmarks have become industry standards.

Our company continues to be **shaped by ideas, knowledge and valued relationships** that can transform your organization to prepare for what is next. Every day our clients rely upon the dedication & expertise of our team of professionals to enable them to achieve their vision, exceed their expectations and make informed decisions.

Our clients' best interests always come first. Integrity, honesty and trust guide our actions. Our assets are our people and our ability to create solutions that make a difference.
